

WE DO NOT KNOW WHAT TO DO, BUT OUR EYES ARE ON YOU.

2 CHRONICLES 20:14-30

Listening to God protects us from fighting battles that are not ours to fight!

The most difficult, yet most productive use of our time is listening to God.

What is my "because of"?

**Do not be overwhelmed by battles that are not ours to fight! Be

The power of the Word of God!

The power of worship!

"Give thanks to the Lord for His lovingkindness is everlasting."
