

THANKFUL

PHILEMON 1:4-7

I believe it is biblically abnormal for a follower of Jesus to be unthankful!

THANKFULNESS

If I love Jesus, I love other believers.

Do I live my life to encourage and lift up other believers?

I CAN IF I AM THANKFUL TO BE A FOLLOWER OF JESUS!

I can refresh your heart if I defeat pride in my heart.

I can refresh your heart if grace and peace "from God our Father and the Lord Jesus Christ" rule in my heart.

I can refresh your heart when I maintain vertical joy in my heart.

I can refresh anyone's heart when I am resisting Satan's desire to rob my heart of joy and ruin my relationships.
